Specialist Electrical Fitter

Energy Supply

Bermuda Electric Light Company Limited is pleased to invite applications from suitably qualified and experienced individuals for the following position.

JOB DESCRIPTION: The Specialist Electrical Fitter is mainly responsible for carrying out preventive maintenance, periodic inspection, troubleshooting (fault location), installation; commissioning, testing and repair work on any item of generation electrical plant and equipment. This includes, but is not limited to, diesel engine and gas turbine driven alternators and associated auxiliary systems (HV and LV), distribution switchgear and controls, electrical drives, rotating machinery and associated operating systems, emergency power supply systems and generators, low voltage DC and control systems. Responsibilities also include performing LV switchgear testing, installing cables and performing LV termination as well as maintaining accurate records of all maintenance and repair tasks conducted. As team leader the allocating of work and guidance to Electrical Fitters and Helpers is expected, as well as providing on-the-job training to those of the lower grade and apprentice training.

REQUIRED EDUCATION:

- High School Leaving Certificate or equivalent
- Technical Qualification such as BTEC, NVQ Level 3, City and Guilds Part II or the equivalent in an appropriate discipline
- Working knowledge of Microsoft Office (Word, Excel, PowerPoint) and other computer applications relevant to the job

REQUIRED WORK EXPERIENCE:

- Strong analytical and problem-solving skills
- Ability to make technical decisions in order to rectify problems
- Strong ability to read and interpret technical drawings, manuals and standards from more than one country
- Good verbal and written communication skills at a technical level with co-workers, supervisors and manufacturers representatives
- Excellent observational skills
- Good leadership with proven abilities in on-the-job training, assessment and coaching

REQUIRED PERSONAL ATTRIBUTES:

- Safety conscious
- Dependability
- Flexibility (in projects, tasks and schedule)
- Teamwork
- Assertiveness

Application Deadline: October 31, 2011
